Mailbox Repair and Restoration price breakdown for the neighborhood mailboxes

- Mailbox replacement includes removal of existing mailbox, reattaching a new mailbox, new wood plate and switching the number plate to the new mailbox. \$110.00
- Sand, clean and paint the number plate and adhere 8 new brass numbers. \$98.00
- Replace the mailbox, sand, clean and paint the number plate, adhere 8 new brass numbers. \$186.00
- To replace individual numbers, \$14.00 per number.
- Reconcrete and straighten leaning or loose post is \$140.00
- Single mailbox restoration includes the following: replace the mailbox with a new large sized box, replace the 8 brass numbers, sand/clean the post, scrolls, number plate and adhere 2 coats of oil based gloss black paint to the post, scrolls and number plate. \$225.00
- Double mailbox restoration includes the following: replace the mailbox with 2 new large sized box, replace the 16 brass numbers, sand/clean the post, scrolls, number plate and adhere 2 coats of oil based gloss black paint to the post, scrolls and number plates. \$335.00. ● All replacement hardware used will be stainless steel.
- Repairs, welding or replacement posts outside of the above would need to be evaluated and quoted per repair requirements.

If you have any questions or concerns please contact me. I'm available to review in person if you'd like.

Thank you,
Joe Carroccia
